Education

Rajkiya Engineering College, Sonbadra

2022 – 2026

Bachelor of Technology, Electrical Engineering

SGPA: 7.0

Technical Skills

Languages: Python, JavaScript (ES6+), HTML5, CSS3

Technologies: React.js, Next.js, Framer, Node.js, Express.js, MongoDB, MERN Stack, Tailwind CSS

Developer Tools: Git, GitHub, VS Code, Postman, REST APIs

Software Projects

• Doctor Appointment Booking Application

MERN Stack, JWT, Tailwind CSS

- Engineered a **full-stack web application** to streamline patient appointment scheduling.
- Implemented secure authentication using **JWT** and built a scalable **RESTful API**.
- Designed a responsive UI using React.js and Tailwind CSS.
- Integrated doctor availability management, appointment slot booking, and user profile dashboards.
- Implemented secure role-based access for patients and admins, supporting appointment approval and cancellation workflows.
- Added real-time status updates and form validations to improve usability and reduce booking errors.

• GitHub Profile Viewer

React.js, REST API

- Developed a React application to fetch and display GitHub user data.
- Implemented dynamic search and interactive UI components.

• Dynamic Weather App

JavaScript, HTML/CSS, API Integration

- Built a real-time weather dashboard using third-party API integration.
- Added error handling for invalid locations and network failures.
- Implemented dynamic icons and temperature-based UI changes.
- Improved performance with optimized API calls and caching.

Experience

• Frontend Developer Intern

RD Group of Industries

Remote

- Developed responsive UI components using **HTML, CSS, JavaScript, and React.js**.
- Collaborated with designers and backend developers to build functional, optimized pages.
- Improved user experience through clean layouts and interactive features.

• Summer Intern

Banaras Locomotive Works (BLW), Indian Railways

Varanasi, UP

- Analyzed maintenance protocols for mission-critical electrical systems.
- Improved understanding of **large-scale industrial operations** and quality control.

Achievements Leadership

• Smart India Hackathon (SIH) Participant (2025)

• Coordinator, NCRAET Conference

• LeetCode 50-Day Badge (2025)

• Volunteer Teacher, Umeed Initiative
