EXPERIENCE

RD Group of Industries Nov 2025 – Present Frontend Developer Intern Remote

- Developed responsive UI components using React, HTML, CSS, and JavaScript.
- Collaborated with backend developers and designers to improve usability and performance.
- Worked on frontend optimization and component-based architecture.

Banaras Locomotive Works (BLW), Indian Railways Jul 2025 – Aug 2025 Summer Intern Varanasi, U.P.

- Observed maintenance and testing of large-scale electrical systems.
- Gained exposure to industrial workflows, safety standards, and quality control practices.
- Learned practical implementation of engineering concepts in industry.

PROJECTS

AI Study Planner (Ongoing) MERN Stack, JWT, AI APIs

- Developing a full-stack AI-powered study planner using the MERN stack.
- Implementing JWT-based authentication for secure user sessions.
- Building personalized study schedules, task prioritization, and progress tracking.
- Designing responsive dashboards to visualize productivity and consistency.

Prescripto – Doctor Appointment Booking System MERN Stack, JWT, EmailJS Live Demo
